

# EXCITING NEWS FOR YEAR 9

All Year 9 students in NSW government schools will receive a “Lenovo IdeaPad” Laptop as part of the Digital Education Revolution. At present, KOGARAH HIGH SCHOOL is installing a new wireless network to cater for the laptops and until this installation has been finalised, the laptops will not be issued. However we are anticipating that this will happen soon.

A compulsory Parent Information Evening will be held to issue the laptops. This evening enables the school to provide the guidelines related to the use of the laptop and the obligation of the parents and students. It is also a great opportunity for parents and students to ask questions. (Date to be advised)

## Some features of the Laptop

The Lenovo IdeaPad S10e has been selected as the laptop personal computer to be provided to senior secondary students and teachers in NSW government secondary schools. Lenovo created the IdeaPad S10e specifically for the education sector.

It will support a full range of software applications and features high level computing power, storage and memory. The IdeaPad is teenage-friendly, being robust, compact and lightweight. It will easily fit into a school bag and weighs just over 1kg.

## EXAMPLES OF SOFTWARE FEATURES

### Operating System

Windows 7

### Microsoft Office Enterprise

2007

Word

Excel

Access

OneNote

Powerpoint

Publisher

Multilanguage add-in

Word Microsoft Math add-in

### Adobe Creativity Suite 4

Acrobat 9 Professional Extended

Contribute CS4

Dreamweaver CS4

Fireworks CS4

Flash Professional CS4

Captivate 4

Photoshop Elements 7

Premier Elements 7

### Browser

Microsoft Internet Explorer 8

Plug-ins:

Adobe Flash

Adobe Shockwave

Java

Microsoft Silverlight

Apple QuickTime
